

Your....., Your Decision

Does your project need funding?

[Name of host org] has been allocated £10,000 from Great Yarmouth Borough Council to fund projects in *[name of area]* as long as local people have been involved in deciding how the money is spent.

We are looking specifically for projects that support the following themes:

[list themes once agreed]

An application form and guidelines for filling out the form are available from *[details]* and the closing date for applications is *[date]*.

If you would like help in filling out the form or would like to speak to someone about a possible project then please contact *[name etc of nominated SG member]*
