

Ordnance Survey Site Plans

Great Yarmouth Borough Council

in partnership with **CENTREMAPS**, can provide a cost effective and convenient way of obtaining large scale site plans for any location in Great Britain.

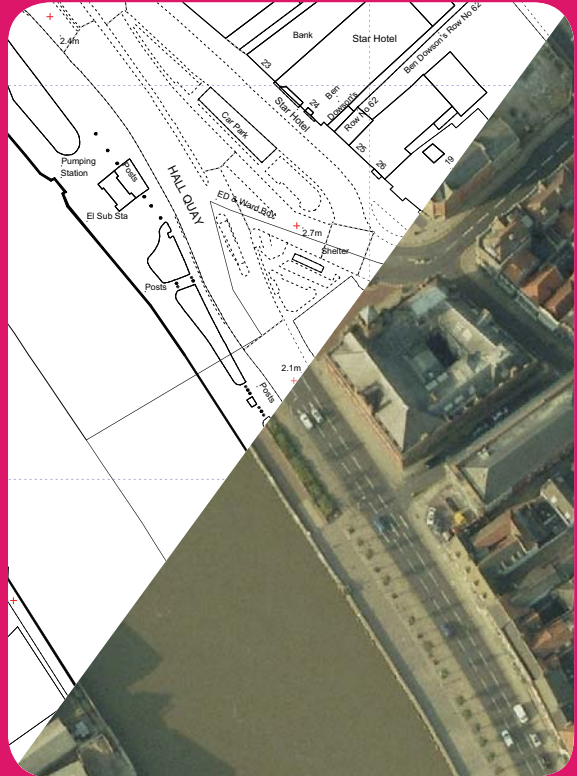

Using the very latest Ordnance Survey mapping via the CENTREMAPSlive® on-line system, site centred plans can be printed off at a number of scales, ranging from 1:200 to 1:10,000. Height contours can be added to certain scales of mapping for an additional cost.

The maps are suitable for planning applications and building regulation site plans as well as many other uses. The plans are sold in packs of six and can be purchased at Town Hall, Hall Plain, Great Yarmouth, Norfolk, NR30 2QF, while you wait.

Prices start from £11.20 for 1:500 scale plan's covering an area 80 x 80 metres. For a full price list please visit:
